Clinitex® Detergent

A range of multi-surface wet wipes for the convenient and effective removal of dirt and grime.

Overview

Clinitex® Detergent is a range of multi-surface wet wipes for the convenient and effective removal of dirt and grime. The gentle, pH neutral, low smear formulation is alcohol, disinfectant and fragrance free and suitable for use on a wide range of surfaces and equipment.

Developed in conjunction with Infection Control Specialists and NHS Medical Physicists, these wipes

have been Independently Tested to demonstrate compatibility with the most delicate of equipment without compromising product efficacy.

Available in buckets, packs, refills and the new patent-pending, dual function dispenser bag.

Clinitex® Detergent Wipes are competitively priced and manufactured for economical use in the UK.
