## Clinitex® Skin Cleansing

A range of pre-moistened wet wipes and foams for the convenient and effective cleansing of skin in the absence of readily available washing facilities.

# Clinitex® Skin Cleansing

## Overview

Clinitex® Skin Cleansing is a range of pre-moistened wet wipes and foams for the convenient and effective cleansing of skin in the absence of readily available washing facilities.

The gentle, pH balanced formulation is alcohol, lanolin and paraben free and suitable for use on all areas of the body.

Available in handy packs, patient packs and tubs for individual patient

supply or small and large buckets for multi user living areas. Pump action and aerosol canister foams are also included within the range.

The wipes and foams are dermatologically tested and contain added emollients to moisturise and promote healthy skin.

For gentle cleansing and hygienic disposal, Macerator Friendly and Flushable products are also available.

Clinitex® Skin Cleansing Wipes and foams are competitively priced and manufactured for economical use in the UK.
