

Clinitex® Hard Surface

A range of alcohol based wet wipes suitable for cleaning hard surfaces and equipment.

Designed to disinfect surfaces quickly and effectively, our wipes have been independently tested to EN1276, EN13727, EN16615 and are effective against a range of bacteria.

Features and benefits

Strong and durable low-lint blue or white alcohol wipes.

Contains a blend of 70% isopropyl alcohol and 30% de-ionised water produced on site to ≤ 1 micro siemen.

Available in handy foil re-sealable tubs.

Independently tested in accordance with European standards EN1276, EN13727 & EN16615.

Easy to use and disposable.

Competitively priced and manufactured for economical use in the UK.
